

# *Wishing upon a star...* FOR YOUR FABULOUS ITEM DONATIONS!

*Every year we receive well over a hundred Auction items from members of the Peninsula community. Each of us has something special to offer. Please take a moment to think about your own resources, skills, and interests; these are the ingredients that build wonderful items, and help create a celebratory and inspiring event in support of our school. Consider donating individually, as a family, or as a part of various groups. Working together to create and offer special donations is a great way to spend time with the people you like.
